

Arch Bridge Competition

The first quarter Wednesday Challenge rules are:

- 1) Design and build an arch bridge
- 2) Team must have a design approved by me before they start building
- 3) The bridge must be made out of all the same unit blocks
- 4) The winning bridge will be the team with the longest span normalized by the building blocks longest dimension.
- 5) The blocks must be countable
- 6) No adhesives allowed
- 7) Final competition will be on Friday
- 8) Must have a PowerPoint describing your team's bridge (template provided)
- 9) Good Luck!
